Event	One-to-One Handholding Session for SSIP 2.0 Grantee with Zero Physical Outcome
Date	04/06/2024
Venue	Virtual – Microsoft Teams
Participants	9 Coordinators

About Event

A dedicated handholding session was organized for SSIP 2.0 grantees who had zero physical outcomes, providing individualized guidance and support to overcome challenges and achieve project milestones. The session enabled grantees to receive personalized attention and feedback, addressing specific project-related issues and paving the way for successful project implementation.
