Event	One-to-One Handholding Session for SSIP 2.0 Student Beneficiaries
Date	15/06/2024
Venue	Virtual – Microsoft Teams
Participants	27 Students
About Event	A dedicated handholding session was organized for SSIP 2.0 student beneficiaries, providing individualized guidance and support to overcome challenges and achieve project milestones. The session enabled students to receive personalized attention and feedback, addressing specific project-related issues and fostering a supportive environment for innovation and growth.
