GTU INNOVATION COUNCIL AT A GLANCE:

GTU Innovation Council (GIC) has been designed to establish close bonding between industries, entrepreneurs, faculty members and students to make research and development at the University, relevant to the needs of industries at national and international levels. It helps to create a culture of design, new and products augmentation and processes in the arena of industries. GTU Innovation Council as an innovation campaign has started strategic steps to establish a close and continuing-action for the students in all the undergraduate and postgraduate courses. GTU Innovation Council is one of the elite organizations of the nation for cultivating multilayer innovation ecosystem. Through the efforts for creating culture of innovation and entrepreneurship in 8 years, an aura of developing the ecosystem across the state was conceptualized. The pilot projects and efforts have ideated many policies which have helped to change and shape up innovation and entrepreneurial mind-set of students. GIC is pioneering more than 12 initiatives in 8 sectors of the council.

Also GTU has become the India's first university to have Technology Business Incubator (TBI). Department of Science & Technology, Govt. of India approve GTU as a nodal institute to start his own Technology Business Incubator. The TBI dedicated to IoT/ technology based start-ups.

GIC always believed that Imagination is the foundation of innovation. GIC nurture skills and talent of the students to promote entrepreneurship and innovation around the states. GIC was established in order to develop a strong network and support system. Students are motivated to do research and development at the University relevant to the needs of industries at various national and international levels.

Glimpse of the Session

GTU Innovation Council is one amongst the elite organization for fostering Entrepreneurship and Innovation beneath the aegis of Gujarat Technological University. The session began with introduction about the speakers by Ms. Disha Kakaiya. On 12th July 2024, Sensitization program on Innovation and start-up was conducted by our incubated startup, Mr. Dhaval Prajapati for students of D H Arts college. Ms. Disha Kakaiya initiated the session addressing all the participants.

This workshop contained as below:

In Order to spread the Awareness of GISC-Rajkot, Sensitization and Awareness program was organized at GTU Innovation and Startup Center –Rajkot. During this Program, Efforts were made to Sensitize students to the start-ups and support provided by GTU in all possible terms. There were 45 Students in this Session. To ensure that every creative student irrespective of his education and location gets access to support to take their ideas and innovation the to next stage. GTU has established a very structured mechanism by now for the above and established the "Regional Innovation & Start-up Centre" in Rajkot. The purpose of setting up regional innovation & start-up centres to decentralize the student innovation & start-up support system so that innovators can fetch benefits at their doorstep.

In this session, Mr. Dhaval Prajapati (Lecturer – AVPTI college -Rajkot) discussed about various start-ups and their innovation by taking examples. Furthermore, different Start-up Policies of the Government of Gujarat like SSIP, Start-up India Seed Fund Scheme & Scheme for Financial Assistance for Start-up/innovators were also discussed. Also shared his journey of student to startup.
