

**GOVERNMENT ENGINEERING COLLEGE DAHOD
SSIP CELL**

REPORT

“Awareness seminar on Student Startup & Innovation Policy 2.0”

It is required to sensitize all the students of Government Engineering College, Dahod about various benefits and facilities they can avail through Student Startup & Innovation Policy (SSIP) 2.0. Hence, it was decided to organize department wise seminar on **“Awareness on Student Startup & Innovation Policy 2.0”** under the aegis of SSIP Cell of Government Engineering College Dahod. A common presentation was prepared and discussed with the departmental SSIP 2.0 coordinators. It was decided to deliver the sensitization seminars to the respective department students by the departmental SSIP 2.0 coordinators. Following are the details of departmental awareness programs:

Sr. No.	Department	Name of the coordinator	No. of students attended
1	Civil	Prof. S. M. Damodariya/ Dr. N. B. Umravia	125
2	Mechanical	Prof. J. M. Patel	167
3	Electrical	Dr. C. D. Upadhyay	165
4	EC	Prof. K. A. Patel	24
5	Computer	Dr. D. P. Contractor	108
