Brief Description of the Event:

- The School of Pharmacy successfully organized an Offline Meeting for SSIP Awareness and Guidance by Dr. Vishal Doshi – Head – Training and Placement Cell, RK University on July 16, 2024.
- The session was arranged to enhance students awareness of opportunities available for getting fund by SSIP 2.0 Policy as well as functional outline of K S Patel Centre for Entrepreneurship, specifically targeting B.Pharm Sem 4 and 4 and M.Pharm Sem 2 with a primary focus on funding opportunity for their innovative ideas of research projects.
- Thanking Dr. Vishal Doshi for their valuable presence in session. Thanks to Dr. Pravin Tirgar, Director of the School of Pharmacy for cooperation and guidance for making this offline meet possible.

Objective of Event:

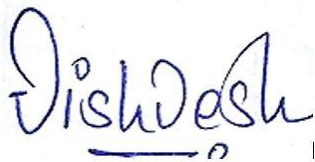

- The primary objective of this session was to enhance SSIP Awareness and Guidance
- The guidance provided herein aims to foster a culture of safety and security awareness and to support the effective execution of the SSIP.

Outcome of Event:

- Attendees gained a comprehensive understanding of the SSIP's objectives and implementation strategies.
- Clarification of roles and responsibilities of leadership, employees, and safety officers in the SSIP framework.
- Discussions highlighted challenges in SSIP implementation, including resource constraints and technological limitations.
- Increased engagement and commitment from stakeholders were observed, with participants showing willingness to support SSIP initiatives.
- An action plan was developed based on seminar discussions and feedback, outlining specific tasks, responsible parties, and timelines.
- Consensus on the importance of continuous SSIP evaluation and updates to address emerging threats and challenges.
