

## Report of Arduino 1.0 workshop

Dt : 03/08/2024

The Student Startup and Innovation Policy (SSIP) and Innovation Club of D.K.V. Arts and Science College have organized one-day workshop on “Internet of Things (IoT) using Arduino 1.0” on 03-08-2024. The basic aim of organizing the workshop was to give a brief idea about how a student can make different automated project using Arduino Uno board. In the first half students were given training of how to connect electrical circuits on breadboard which is required for preparing such projects, by Dr. P.S. Vachhani. In the second half, Arduino Uno board and brief about programming have been explained by Chirag S. Rajai, Assistant Professor, Physics Department. Total 67 Students and 4 faculty members have participated in the awareness program organized at D.K.V. Arts and Science College, Jamnagar. Participants were highly motivated through the information given to them. They have enjoyed full informative program and became aware about the small projects they can prepare using Arduino Uno board.
