<b>Venue/ Mode:</b>	<b>Seminar Hall, Government Science College Zalod / Offline</b>
<b>No of Participants:</b>	<b>27</b>
<b>Speakers Name :</b>	<b>Dr. Bijoy N Roy</b>

### **About Event:**

An open SSIP 2.0 Policy Sensitisation program was organised specially for the newly admitted B.Sc. semester 1 students on their orientation day at Government Science College Zalod on 11<sup>th</sup> July, 2024. It was also attended by the existing students of higher semesters of the college. SSIP Coordinator of the college, introduced the need of Innovation and start ups to the audience and eventually explained the idea, purpose and various supports available under SSIP 2.0 Policy.

Students were made aware about the Innovation and SSIP Unit room with various DIY kits for carrying out their activities and SSIP 2.0 Grant for financial support to their ideas, available at the college. They were also informed about the i-Hub centre for incubation support. Students were encouraged for participating in the SSIP activities and look out for problems on which they can work and search out for probable innovative solution. Number of well recognised, real-time examples of the innovative ideas given by students, were shared too. The students felt motivated with the inputs of the seminar.

### **Outcome of Event:**

At the end of the seminar, the new students got well informed about the SSIP 2.0 policy and the supports available at the college for supporting their innovative ideas.

The students from higher semesters were encouraged to look out for problems and their possible innovative solutions.
