### **About Event:**

A Student Sensitisation program on Innovation and Entrepreneurship was organised for the 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> year B.Sc. students at Government Science College Zalod on 13<sup>th</sup> August, 2024. SSIP Coordinator of the college, introduced the basic idea of Innovation and Entrepreneurship to the audience and eventually explained the importance, purpose and various supports available for the same under SSIP 2.0 Policy.

Students were made aware about the process involved for making innovation and how they can move to entrepreneurship. A short video was shared where the idea of simple innovation in packaging a product was discussed, which made a radical change in consumer market. Different domains, like social media influencing, organic farming, value addition in forest products, skill-based Start-ups Like photography, drone technology etc., were discussed, over which they can work and create a start-up in Dahod district. Number of well recognised examples of entrepreneurs were shared with the students. The students felt motivated with the inputs of the seminar.

### **Outcome of Event:**

At the end of the seminar, all the students got well informed about importance, purpose and various supports available for Innovation and Entrepreneurship under SSIP 2.0 Policy.

The newly joined students in first year after orientation day were sensitized about SSIP 2.0 policy too.

The students were encouraged with the examples and ideas to work on around their locality and in their own district.
