A talk on Mobilizing Creative Ideas and Innovations from Youth

Event Date: 12.08.2024

About the event:

On August 12, 2024, ASHINE along with E-Cell organized an insightful talk on Mobilizing creative ideas and innovations from youth, featuring Shri. Anil Gupta, Padma Shree awardee, founder of the Honeybee Network and GIAN (Gujarat Grassroots Innovation Augmentation Network) and Dr. Anamika Dey, CEO of GIAN.

The speakers highlighted the importance of innovation and creative approaches in addressing societal challenges, inspiring participants to actively engage in problem-solving and emphasizing the value of collaboration.

They also shared information about various awards recently announced by GIAN in partnership with multiple organizations, encouraging young innovators to participate and make a difference.
