### **About Event:**

A Group activity for the formation of team of maximum 3-5 students was organized at our institute Government Science College, Zalod on Date 23<sup>rd</sup> August 2024. 24 Students of First year, second year and third year B.Sc. were present. We formed team of maximum five students having balance skills.

Also, students were again informed about this event of idea hackathon. And importance of team work for future work on their idea. We encourage students about getting idea suggested in the guideline and also get their own ideas

### **Outcome of Event:**

Teams of students were formed having different skills.
