### **About Event:**

A Workshop for the idea generation was organized at our institute Government Science College, Zalod on Date 3<sup>rd</sup> September 2024. 35 Students of First year, second year and third year B.Sc. were present. We encourage students to focus on real world problem that they are passionate about.

We arranged open discussion with all students with team so they can engage with their idea. They shared how to think about problem and what is outcome of that idea behind that problem.

### **Outcome of Event:**

Students were able to think about problem and how to solve that problem
