

## **GOVERNMENT ARTS COLLEGE, GANDHINAGAR**

On 21.08.2024, Entrepreneurship Day was organized by the SSIP Cell of the college. 3 former students, namely Mr. Saqib Patel (advocate), Mr. Chinesh Mali (florist) and Nilkanth Dixit (photographer) were the major resource persons. They addressed a gathering of 93 students and teachers. They shared their experiences of their entrepreneurial journey and motivated students to identify their talent and come up with unique ideas.

The teachers also motivated students and the students felt pumped up enough to carry on their new endeavours.
