## About Event:

Government science college, Varachha, has conducted a workshop based on the theme of the book “ikigai” named discover your ikigai on 16th august 2024 at 11 00 am for the first and second-year b.sc. Students. The concept of ikigai, a japanese term meaning “a reason for being,” revolves around finding purpose and joy in life. Events like this involve activities and workshops to help participants reflect on their passions, talents, values, and the world’s needs. This activity encourages students to explore what makes them feel fulfilled and how to align their lives with their values.

## Outcome of Event:

Ikigai would likely center around helping participants, especially students and young entrepreneurs, find their purpose and integrate it with their professional and personal lives. 95 students actively participated in this event. The event can foster a sense of community among attendees with similar interests in innovation and personal development, creating a supportive network for future endeavors. Overall, the SSIP event on Ikigai would aim to empower participants by helping them integrate their sense of purpose with their entrepreneurial and personal goals, ultimately driving more meaningful and successful endeavors.
