

## SSIP2.0 Sensitization Sessions

**Event Name: Ice Breaking Activity for FY BSc Students**

**Date:** 09/09/2024

**Venue/ Mode:** Government Science College, Chikhli

**No of Participants:** 18

**Speakers Name :** Pradhuman Parmar

### **About Event:**

To develop innovative thinking, game-based ice breaking activity has been carried out.

**Outcome of Event:** Students have learned how to think out of boxes. Some modification of ideas of existing things are given by student such as 1) sensor-based spectacles for blind people, 2) writing pen should be combined with the whitener, 3) design of a notebook with pocket for pen, pencil, eraser and scale. It should also contain a sheet that will be use multiple time
