

Organization of Entrepreneurship Development Seminar at Tatva Institute

Modasa: On September 26, 2024, a successful "Entrepreneurship Development Seminar" was organized by the CED (Center for Entrepreneurship Development) branch at Tatva Institute of Technological Studies in the Aravalli region. The chief speaker for this seminar was Mr. Mehul Pandya, Assistant Training Officer from CED, and Mr. Mohammad Rashid Malek from CED was also present.

The seminar was attended by Prof. Harendrasingh Chauhan, the Principal of Tatva Institute, Office Superintendent Prof. Bharatbhai Darji, as well as heads of various departments and faculty members. Students from various branches of engineering actively participated in this seminar.

Prof. Ankita Shah and Prof. Pratik Chauhan played key roles in making this event successful as SSIP Coordinators.

Chief speaker Mr. Mehul Pandya informed the attendees about the importance of entrepreneurship, professional skills, and solid strategies to become a successful entrepreneur. Students had the opportunity to satisfy their curiosities and learn about new activities at the foundation of entrepreneurship.

Congratulations were extended to the Tatva Institute and CED team for the success of this seminar.
