A Student Sensitization Session on the Student Startup and Innovation Policy (SSIP) 2.0 was successfully conducted on 03rd October 2024 at Drs. Kiran and Pallavi Patel Global University by the SSIP, Gujarat authorities through online mode . The session aimed to create awareness among students about the various opportunities and support mechanisms provided by the Gujarat Government under SSIP 2.0, which encourages student-led innovations and entrepreneurship.

The event commenced with an introductory talk that highlighted the objectives of SSIP 2.0, emphasizing the policy's focus on fostering innovation across academic institutions. Key aspects such as funding support, incubation facilities, and mentorship opportunities available under SSIP 2.0 were elaborated upon.

In addition, students were guided through the process of applying for SSIP 2.0 grants and how to convert their innovative ideas into viable startups. A Q&A session followed, where students engaged with the speakers and clarified their doubts about the policy and its benefits.

The session concluded with a call to action, motivating students to actively participate in innovation-driven activities and leverage SSIP 2.0 for entrepreneurial success. The event witnessed enthusiastic participation from students, marking a successful step towards building an innovation ecosystem at KPGU, Vadodara.
