

An Industrial Visit – ‘iCreate’

On 15th October, 2024 Gujarat Commerce College had organized An Industrial Visit to - iCreate Electric Vehicle Centre of Excellence, at Deodholera as a part of SSIP initiative. It is a leading institution committed to the promotion of innovation and entrepreneurship, iCreate supports India's 2030 EV ambition. They have defined EVs as focus area, and to accelerate breakthrough innovations, the iCreate EV Centre of Excellence (CoE) has been set up by Gujarat Government in 2013.. The CoE will drive the benefits of standardization, interoperability, and future-proofing, and enable next-gen innovation, helping place Indian startups on the global map. The visit was organized as a part of celebration of Vikas Saptah – 2024 to boost innovative mindsets in the students.

Students were informed about the center facilities, further scope of EV industries in growth of the nation and transformation to greener future. Students interacted with various projects leaders incubated by iCreate, and ways to avail further facilities and funding for start up.

More than 35 students have joined the visit along with Dr. Mamta Patel and Prof. Anjani Neeraj. They interacted with various startups, ways to have financial aids and growth prospectus available in them.
