Coastal Cleaning Day Celebration

Innovative way to Nurture Coastal Zones

21-09-2024

About the Event:

On 21st September 2024 international coastal cleaning day was celebrated at Tithal beach Valsad by Government Engineering College Valsad and other NGOs and Government Organisations. Among the Guest invited for the programme Honorable Shri Bharatbhai Patel, MLA, Valsad has provided his distinguished presence to motivate the students, staff and all other participants for the Cleaning of the beach. Dr K L Mokariya gave a brief about how the beach cleaning activity will take place, procedure and safety measures to be taken to the students and faculty of institute. The waste was segregated in terms of plastic and non-plastic waste and after measurement plastic waste was sent to Atul Ltd Valsad. All the students' participants were given certificates of participation.

Innovations on environment and power generation by tidal energy was discussed on site.

Total 128.43 kg waste collected from beach

Participants Detail: Around 300 participants has given his contribution for this noble cause.
