ABOUT PDEU:

Pandit Deendayal Energy University (PDEU), formerly known as Pandit Deendayal Petroleum University (PDP), was established by the PDP Act, 2007; Acts of the Gujarat Legislature and Ordinances promulgated and Regulations made by the Governor, in the State of Gujarat, India. The primary thrust areas for the university are to ensure Energy for All, creating a Larger Social Impact and Prepare the Youth for tomorrow. PDEU has NAAC accreditation with "A++" Grade CGPA of 3.52 out of 4.00 & Graded Autonomy by UGC.

The University addresses the need for trained and specialised human resources for the energy industry worldwide. It intends to expand students' and professionals' opportunities to develop an intellectual knowledge base with leadership skills to compete globally. This objective is being addressed through several specialised and well-planned undergraduate and postgraduate energy education programs and intensive research initiatives, in management, engineering and humanities.

ABOUT PDEU IIC:

PDEU Innovation and Incubation Centre (formerly known as PDP IIC) is an incubator at PDEU established in 2014. The Centre was formally established in 2017 u/s 8 of The Companies Act, 2013, with a vision to provide state-of-the-art support and service to innovators, technocrats and entrepreneurs who aim to create a social and economic pact in society through innovative solutions to existing problems. The centre acts complementary to the academic and research activities of the University.

PDEU IIC has also been approved to be a "**Technology Business Incubator**", a recognition by the Department of Science and Technology, Government of India. It is recognized as a Nodal Institute by the Government of Gujarat. PDEU IIC has incubated **200+ start-ups across 10+ domains** and generated more than 400 employment opportunities through start-ups. The IIC Office has a specially designated area of 20,000 sq. ft for the start-ups to work on.

ABOUT TESSERACT:

'**TESSERACT**' is the Annual Science and Technical Fest of Pandit Deendayal Energy University which talks about the quest for knowledge. Literally, meaning the four-dimensional analogy of a cube, Tesseract links the depth and complexities of science with an elementary cube. It goes hand in hand with the aim and vision of the university, to make science simple.

ABOUT THE NETWORK CLUB:

'**THE NETWORK**' Club of PDEU is a professional development club dedicated to fostering networking opportunities and enhancing career prospects for students. The club aims to bridge the gap between academia and industry by providing students with valuable insights into the professional world. Through various activities and initiatives, the Network Club helps students build their professional network, develop essential soft skills, and gain practical knowledge. The club's mission is to empower

students to become successful and well-rounded professionals.
