A Report on Awareness about SSIP 2.0

Dive into the world of Awareness Seminar at our institute organized by the I & D Cell from our institute. Experience an interactive learning journey as Prof. Zinal Solanki who has Assistant Professor of IT Department in SSASIT to guide our students for Awareness about SSIP.

This seminar provides an overview of the awareness and understanding of SSIP among students and stakeholders, its current implementation, and potential gaps that could be addressed to improve its outreach and effectiveness.

The SSIP holds great potential for nurturing the entrepreneurial spirit among students, but its success depends on improving awareness, simplifying processes, and fostering greater collaboration between students, faculty, and industry. By addressing the existing gaps and promoting more inclusive and targeted outreach, SSIP can be a powerful tool for driving innovation and entrepreneurship across India's educational institutions.

Objective of the seminar

The objective of this seminar is to evaluate:

1. **Level of awareness** about SSIP among students, educators, and institutions.
2. **Impact** of SSIP on fostering innovation and entrepreneurship among students.
3. **Challenges and gaps** in the implementation and promotion of SSIP.
4. **Recommendations** for improving awareness and engagement with the policy.

Date : 01st OCT 2024

Time : 01:45 PM – 03:45 PM
