

BRIEF REPORT ON: Innovators meet Industry - TML Industry

1.	Title	Innovators meet Industry - TML Industry
2.	Objective of an Event	Facilitate collaboration and funding opportunities between innovators and TML Industry, Vadodara, fostering partnerships, technology exchange, and mutual growth through innovation-driven initiatives and strategic industry support.
3.	About an Event	The "Innovators Meet Industry" Exposure visit at TML Industries Limited, Vadodara, was a dynamic platform for collaboration and funding opportunities. Key industry leaders, including Mr. Atul Shroff, Chairman of TML Industries, Mr. Mandar Prabhune, Environment Scientist at Transpek Industries, and Mr. Ambrish Chhaiya, Chemical Engineer at TML Industries, engaged with innovators to explore cutting-edge solutions. The event aimed to bridge the gap between innovative ideas and industry needs, fostering partnerships that could lead to funded projects and real-world applications. This collaborative effort highlighted the importance of innovation in driving industrial growth and sustainability.
