VGEC Viksit Bharat – Visit to iCreate Incubator

Viksit Bharat 2047 is the dream of our Hon'ble Prime Minister Shri Narendra Modi. The innovation is going to drive the development of the nation. It is the youth of the nation that drives the innovation and growth for any country. To support the youth at various stages of starting up, iCreate was setup by Hon'ble Prime Minister Shri Narendra Modi which is a start of the art world class incubator for startups. The students were made aware about the various facilities and the supports the incubator offers to the new startups. Ms. Gladis Nair from iCreate provided information about the kinds of supports iCreate offers. Mr. Amit Thaker, MLA from Vejalpur has inspired the students to take up the role of job giver instead of job seeker and spoke about the vision of the Viksit Bharat.
