Brief Outline of the session:

Kumar and kanya shala, higher secondary school waghodia was the site of a successful interactive mentoring session on Friday, 10th February, 2023. The session was organized by the Institution's Innovation Council (IIC) of Parul University in association with the Entrepreneurship Development Cell (EDC) as a part of their One Day Innovation and Entrepreneurship Outreach Program in schools.

Mr. Nikhil Jumde was the chief guest of the event and inspired the students with his speech on entrepreneurship and business values. He emphasized the importance of giving back to the community and never forgetting one's roots.

Ms. Riddi Bagha, Vice-President of IIC, and Mr. Hutesh Baviskar, Convener of IIC, along with other IIC members of Parul University was attended the event and interacted with the students, discussing the significance of innovation and entrepreneurship in everyday life.

Mr. Sholk Solanki given brief about different innovation products build in FABLAB also explain the how the different instrument are working for designing new innovative product. Students from the Kumar and Kanya Shala build the some innovative projects after the session during practical session. The students were given a perspective on how innovation works by peer group demonstrations, and innovative models were built and exhibited by the students of school. The session introduced the students to the world of entrepreneurship and innovation and inspired them to become future leaders in these fields. Also the best innovative project of school students was awarded with certificate of appreciation.

Glimpses of the session:

Thank You
