Summary of Event:

This event is a motivational session where successful innovators share their personal journeys, challenges, and achievements. The session aims to inspire students and young professionals by giving them a firsthand look into the lives of those who have made significant breakthroughs in various fields. Speaker will delve into the ups and downs of their innovation journey, discussing how they overcame obstacles, maintained their vision, and leveraged creativity and resilience to turn their ideas into impactful realities. This session offers an invaluable

opportunity for students to connect with and learn from successful innovators who have transformed ideas into reality. It provides motivation, practical guidance, and tools that can help students embark on their own innovative journeys, ultimately inspiring them to become change-makers in their chosen fields.

Participants: There are a total of 96 attendees of BE- 1st to 4th Year Students who participated in this event and enhance their knowledge.
