Glimpses of activity:

Mr. Jay Sudami and Mr. Hutesh are sensitizing students regarding EDC cell function, activities, etc. (Both images)

Outcome:

We have received good interaction and nice response from students while conducting a sensitization campaign. Case study-based explanations made an interest among students, and good clarity of thoughts in students' minds for the complete work of the EDC center as a whole. There was a very positive response from students as well as those who participated enthusiastically in the sensitization campaign. More interesting activities in the future have been planned.
