Event Name: Workshop
Entrepreneurship Awareness Workshop (EAW)

Date: 30 November 2024

Venue/ Mode: Anand Pharmacy College, Anand

No of Participants: 97

Speakers Name: Mr. Ashish Shah

About Event:

The Entrepreneurship Development (ED) Cell of Anand Pharmacy College successfully hosted an Entrepreneurship Awareness Workshop (EAW) on November 30, 2024. The workshop was conducted in collaboration with Student Startup Innovation Policy (SSIP), Institution's Innovation Council (IIC), and the Indian Pharmaceutical Association (IPA). The workshop aimed to ignite entrepreneurial thinking among students and create awareness about the vast opportunities in the pharmaceutical sector for innovation and startup ventures. It provided an enriching platform for students to interact with industry experts, explore the entrepreneurial landscape, and understand the resources available to budding innovators.

The event was coordinated by **Mr Sandip Patel** (Assistant Professor, Anand Pharmacy College) and **Ms. Saloni Dalwadi** (Assistant Professor, Anand Pharmacy College) under the guidance of **Dr. Vaishali Thakkar** (SSIP Coordinator) and **Dr. Tejal Gandhi** (Convener & Principal, Anand Pharmacy College).

A total of 97 participants from various departments of pharmacy actively participated, showcasing immense enthusiasm and curiosity. The program schedule spanned 1 hour, starting at 11:00 a.m. and concluding at 12:00 p.m.

Outcome of Event:

The Entrepreneurship Awareness Workshop received an overwhelmingly positive response from the participants. Students reported gaining a deeper understanding of the entrepreneurial journey,

from idea conception to execution. The association with SSIP and IIC was particularly appreciated for providing real-world insights and support for startup ventures.

The ED Cell expressed gratitude to SSIP, IIC, and IPA for their collaboration, as well as to the guest speakers and organizing team whose efforts ensured the workshop's success. The event served as a stepping stone for promoting entrepreneurial culture among students, paving the way for future innovators in the pharmaceutical domain.
