**Purpose/motive of the Event:** Dr APJ Abdul Kalam, a celebrated Aerospace scientist, "Missile Man of India" and the former President of our country was born on October 15, 1931. Apart from his scientific achievements and contribution, Dr Kalam strongly believed that the student communities are the future strength and our country can attain heights of success with the power of youth minds. He also, put big emphasis on providing best education for students and nurturing young minds. Therefore, on the occasion of birthday as well as national innovation day, it is our duty and responsibility to celebrate the day and pay homage to Dr. Kalam with various educational activities at IAR.

**Number of participants:** 26

**Brief overview of the Event:** IAR organized the National Innovation Day program to commemorate the birth Anniversary of "Missile Man of India", Dr. APJ Abdul Kalam on 17th October 2022, (4:00 PM-5:00 PM) in the seminar hall, old building. Dr APJ Abdul Kalam is considered one of the great personalities of our country whose life proved an inspiration for every young mind. His work still motivates us every moment. It may be worthy to recall that the United Nations had also started celebrating Dr APJ Abdul Kalam's birthday as '*International Students' Day*' since 2010, appreciating his contribution and vision as a great teacher. Faculties, Students and staffs of IAR actively participated in this program and paid homage to this great personality.
