1. presentation

### **Details of the event:**

The SSIP program held on October 10, 2024, at Vidhyadeep University, successfully introduced all students to the Student Startup and Innovation Policy (SSIP) 2.0. Total registration for Student Startup and Innovation Policy (SSIP) 2.0 is 304. The event focused on raising awareness and providing valuable insights into the various opportunities that SSIP 2.0 offers to promote innovation and entrepreneurship among students. Participants engaged in discussions about how to leverage these resources to develop their ideas and contribute to a vibrant startup culture. Overall, the program aimed to inspire and equip students with the knowledge needed to navigate their entrepreneurial journeys.

The session was expertly delivered by Ms. Janki Joshi. She effectively engaged the students by explaining the SSIP 2.0 framework in detail. Ms. Janki Joshi highlighted various funding opportunities available under the policy and provided insights on how students can access support for their innovative projects. Her interactive approach encouraged questions and discussions, making the session not only informative but also inspiring for aspiring entrepreneurs among the first-year students. Mr. Sagar Patel inaugurated the session.

**Outcome of the event:**

The session successfully raised awareness of the SSIP 2.0 policy among all students, sparking interest in pursuing innovative projects. Many students expressed enthusiasm about embarking on their journeys as future innovators. The event also laid the groundwork for more interactive sessions in the coming months, promising continued support and guidance for students eager to explore their entrepreneurial potential. Overall, it was a motivating start to fostering a culture of innovation within the college.
