Brief report

Title: Meet with IAR Innovator- how to take the first step towards innovation

Date and Place: 23/11/2022 **Time:** 12.00 to 1.00 pm (offline, On campus)

Platform: Offline, On campus

External Speakers: Ms.Nidhi Jha, Founder, BioPot

Brief Overview: Our alumni student Ms.Nidhi Jha and founder of BioPot has interacted with our students on how to take the first step towards innovation. She shared her experience in developing startups. She recycles agricultural waste and converts it into a biodegradable, self-composting pot (BioPot). It contains many beneficial microbes which improve soil fertility as well as provide plant immunity against plant pathogens. It decreases the need for fertilizer, fungicides, and pesticides. With her innovative product, she promotes organic farming and also plays a role in decreasing agricultural solid waste.

Outcome of the Event: There are more than 45+ university students participated in this workshop. All students learned about taking innovation as an alternative career.
