Brief

Entrepreneurship Development organizes on 23rd August, 2022 from 10:30 AM to 12:30 PM by Ms. Nikita Maheswari, Co-Founder, Tatkalorry.com. She stated about her journey of her first venture named tilebazzar.com at the age of 22 along with her brother which led to a failure. At that time, she has two options either to cry on her failure or start again, and she decided to start again by gaining more knowledge in the entrepreneurship field and after working on critical area she launches tatklorry. A platform which connects manufacture, dealers, truck owners and transporter for flexible ceramic goods deliveries. It,s a one step solution for those looking forward to availing transportation service for part or full truck load. She emphasis that students should keep an eye on opportunities, thinking out of the box and being innovative. At the end of the session, she quoted to the students that if they encounter any problem then they need to find all the possible solution as no problem exist without any solution. It just needs correct thinking and creative mind to find the solution.
