#### About Event:

On 20th December 2024, SPU-SSIP-Navadhara organized a program in association with Arts, Science & R.A. Patel Commerce College, Bhadran, titled "उद्यम शिक्षा संवाद: Empowering Educators for Tomorrow's Entrepreneurs". The program was a huge success, with over 153 participants attending the event. The presented teachers from different colleges were happy to gain innovative and creative knowledge, which will help them to empower their students and shape tomorrow's entrepreneurs.

1. Innovation and Entrepreneurship: The program introduced the teachers to the concept of innovation and entrepreneurship, and how it can be applied in the classroom to empower students.
2. Creative Thinking: The teachers learned how to think creatively and develop innovative solutions to real-world problems.
3. Startup Ecosystem: The program provided an overview of the startup ecosystem and how it can be leveraged to support student entrepreneurship.
4. Grassroots Innovation: The teachers learned about grassroots innovation and how it can be used to drive social and economic change.
