

SSIP2.0 Sensitization Sessions

Event Name: SSIP Awareness Program

Date: 24/12/2024

Venue/ Mode: Navpad Sarvajanik High school Dabhoi Vadodara

No of Participants: 55

Speakers Name: Mr Romikumar M Kantharia

About Event:

On December 28, 2024, an SSIP (Student Start-up and Innovation Policy) Awareness Program took place at Navpad Sarvajanik High school Dabhoi Vadodara, with 55 attendees. The event aimed to raise awareness about the SSIP framework, which is designed to encourage student innovation and entrepreneurship.

Mr Romikumar M Kantharia, the keynote speaker, led the session, providing valuable insights into the SSIP initiative. He stressed the significance of nurturing an entrepreneurial mindset among students and outlined the various opportunities the policy offers, including funding and mentorship for student-driven start-ups.

Outcome of Event:

Increased Awareness: The program successfully educated participants on the SSIP policy and the resources it offers to support innovation and entrepreneurship.

Encouragement to Innovate: The session motivated students to consider entrepreneurship as a career path, with many expressing interest in exploring SSIP grants and support.
