# GOVERNMENT ENGINEERING COLLEGE – DAHOD

## IIC, IP Cell (GUJCOST) & SSIP 2.0 CELL

### REPORT

#### State level Webinar on “Introduction to Intellectual Property Rights”

A state level webinar on “**Introduction to Intellectual Property Rights**” was organized on 24<sup>th</sup> December, 2024 (**Tuesday**), from 11.30 AM to 1.00 PM under the aegis of IIC, IP Cell (GUJCOST) & SSIP 2.0 Cell of Government Engineering College Dahod. Here, 103 students which includes students of Government Engineering College Dahod, Government Polytechnic Dahod, Dr. S. & S. S. Gandhi Government Engineering College, Dahod, Government Engineering College, Bhuj, Government engineering College, Bhavnagar have participated in the event.

The session started by welcoming the speaker Miss Dharti Shah; and all the participants. Then the session on introduction to Intellectual Property Rights (IPR) was started by Miss Dharti Shah, and the meaning of IPR was discussed and it was very well received by the participants. Various types of Intellectual Properties like Patents, Designs, Copyrights were explained by various examples and in lucid language. The participants have got useful information and knowledge about various types of IPR and it will definitely help them to think of protecting their IPRs along with respecting others IPRs. At the end of the session there were few of the queries by the participants related to software related IPRs and it was very well handled by Miss Dharti Shah. He has explained them the patentability of the software related IPRs and clarified all the doubts of the participants. At the end of the event, Dr. Mahesh K. Chudasama has thanked the speaker for accepting the invitation and sparing his valuable time for the event. He has also thanked respected Principal sir, other faculties present during the event and all the participants to make the event successful. The event was concluded by saying ‘Jay Hind’ by all the participants.
