### About Event:

GTU Ventures & UNICEF Jointly Organized Young Innovators Platform Awareness Session at Urmi School on 24<sup>th</sup> December 2024. In this session there are **600+ students** joined. The event aims to the encouragement of students regarding start-ups and Entrepreneurship. Event Started By Mr. Kamendra (Incubation Manager-AIC-GISC), Gave brief introduction about GTU Ventures and Different Government Policies for Start-ups. The event featured a knowledge-sharing session led by Mr. Vishal Nimse, founder of Carbon Footprints—an incubated startup at the center.

in the end of event, we were asked basic questions about start-ups and entrepreneurship, students were given narrative answers to the question then Hemik Mehta (RC - GISC) started to share brief about Young Innovators Platform.

End of the event (Urmi School) Principal sir and whole staff members appreciate this events and encourage this such events in the future with Urmi School. And also got a great response from the students we expected **40 entries from school.**
