Report on guest lecture for GTU YOUNG INNOVATORS PLATFORM

A guest lecture on "GTU YOUNG INNOVATORS PLATFORM" was organized on 27/12/2024 12:45 pm onwards at Civil Seminar Hall, Government Engineering College Bhuj. The speaker for the same was Mr Tushar Panchal, Assistant Professor of Human Resource Management and Marketing Management. His primary research areas are Behavioral sciences, Service sector, Human Resource Development, Product Market Fit, Entrepreneurship Development and Startup Ecosystem.

A total of 187 students registered for the same from all branch, various faculty and departmental SSIP coordinators were present for the lecture.

The lecture successfully sensitized students towards The GTU Young Innovators Platform which offers schools and students unique opportunities, including:

- Opportunity to convert your Ideas into Reality
- Engage with global ecosystem such as that of UNICEF (United Nations Children's Fund)
- Enhanced skills
- Innovation support, including financial assistance, patent support, industry mentorship, etc.
- Recognition and Certificate for all students who participate
- ATL IIC Portal activity - This activity is qualified to be registered as a ATL / IIC activity

The students clearly related SSIP as a helping hand for carrying out innovative projects along with curriculum and later can convert it to their profession. The lecture was organized and executed by Prof G V Bhatt, Prof H C Patel and Prof K S Ramanandi with a Q&A session. The lecture was concluded with a vote of Thanks.
