- A **2-day immersive Design Thinking Workshop** was conducted, providing participants with an in-depth understanding of the **Principles of Design Thinking** and **Behavioral Science**.
- Participants worked on **four real-world problem statements**, using structured approaches to propose innovative solutions.
- Comprehensive **tools and templates** were provided to facilitate problem-solving and ideation, ensuring a guided and effective learning experience.
- On **Day 2**, participants presented their proposed solutions in a formal presentation format, showcasing their creativity and analytical skills.
- The workshop was led by **Mandeep Toor**, who was also onboarded as a mentor at Navrachana Innovation Foundation (NIF).
