Awareness & Sensitization for Young Innovators Platform

Date: 24/10/2024

Time: 01:30 PM To 03:00 PM

Venue: NeoTech Institute of Diploma Studies, NeoTech Education Campus, Vadodara

Total Participants: 50

An initiative by Gujarat Technological University (GTU) in collaboration with UNICEF. Designed to inspire and nurture the next generation of problem solvers, innovators, and entrepreneurs, this platform is a call to action for youth across Gujarat to dream, innovate, and make a difference.

About Event:

GTU Ventures & UNICEF Jointly Organized Young Innovators Platform Awareness Session at NeoTech Institute of Diploma Studies on 24th December 2024. In this session there are **50+ students** joined. The event aims to the encouragement of students regarding start-ups and Entrepreneurship. Mr. Kamendra Sir (Incubation Manager, AIC-GTU) Started Session with introduction about GTU-Ventures & Different government Policies.

in the end of event, we were asked basic questions about start-ups and entrepreneurship, students were given nitrative answers to the question then Hemik Mehta (RC - GISC) started to share brief about Young Innovators Platform.

End of the event (NeoTech College) Principal sir and whole staff members appreciate this events and encourage this such events in the future with NeoTech College. And also, got a great response from the students we expected **20 entries from college.**

Glimpse of the Session:
