

Short Summary

1. Name of activity : **Stem Kits Robokarts Training**
2. Venue : Shri U P Arts Smt M G Panchal Science and Shri V L Shah Commerce College Pilvai
3. Date : 02- 12 – 2024 to 03- 12 – 2024
4. Number of Participant : 50
5. Name of Trainer : Mr. Pratik Patil

Field Work: Stem Kits Robokarts Training organized in our college under innovation club during 02-03/12/2024. Pratik Patil was trainer of these programmed. On the first day of the programmed 11:00 am inaugural function, Vice-Principal Dr. Gaurang Jani delivered his well-come speech and address to usefulness of different kits provided by the government. Trainer Pratik Patil address to theoretical part on very next session of the day and then after discuss the uses of different kits. On the two days workshop trainer Pratik Patil practically demonstrate all seven kits namely Advanced electronic kit, Agri tech kit, Basic electronics kits, Energy conservation Kit, Mechanical kit, VR Globe kit, Mechatronics kit, Telescope kit and Drone kit. All seven kits where they are applicable in your problem and how it useful to solving your problem was discussed in his very logistic language. Overall two days workshop was very fruitful and informative and students got a very good knowledge from the different kits. Finally programmed was well organized by Prof. D B Patel Innovation club co-ordinator under the supervision of college principal Dr. Sanjay Shah.
