About the Event:

The SSIP Cell of Anand Pharmacy College (APC) and D. N. High School, under the Student Startup Innovation Policy (SSIP 2.0, Government of Gujarat) and Institution's Innovation Council (IIC, MoE), organized a seminar titled *Empowering Students: Innovation and SSIP Policy*.

The seminar aimed to introduce students to the SSIP policy, innovation fundamentals, and opportunities for entrepreneurship, focusing on encouraging young minds to explore their creative potential.

Key Highlights:

1. Orientation on SSIP Policy:

- Dr. Hitesh Ravel explained the government's SSIP policy and its impact on the overall progress of students, highlighting the role of innovation in their academic and professional growth.

2. Discussion on SSIP 2.0 Policy:

- Dr. Vaishali Thakkar detailed the eligibility criteria of SSIP 2.0 and the benefits available to students, including financial grants and mentorship support.
- Students who had received grants shared their inspiring innovation journeys and the outcomes achieved through the program.

3. Interactive Group Activities:

- Led by Dr. Chetna Modi (IIC Convener) and other IIC members, students participated in engaging activities designed to foster creativity and teamwork. They presented innovative ideas, showcasing their ability to think critically and collaborate effectively.

4. Entrepreneurial Insights:

- Ms. Ayush Rana shared her entrepreneurial story and discussed how innovation shaped her journey as the Founder of Neuroxa MediProducts Pvt. Ltd.

Outcomes of the Event:

- Increased awareness among students about SSIP 2.0 policies and their eligibility for benefits.
- Inspired students to think innovatively and pursue entrepreneurial ventures.
- Positive engagement through interactive activities that enhanced creativity and teamwork skills.

This seminar, organized by the Pre-Incubation Center, APC, served as a platform to inspire students to explore innovation and entrepreneurship, aligning with the objectives of SSIP 2.0.
