

# Unlocking Innovation: A Practical Guide to Patents for Educators organized by SSIP/IIC VGEC

6<sup>th</sup> December 2024

On December 6th, 2024, SSIP/ECELL VGEC Chandkheda organized a highly informative event titled "Unlocking Innovation: A Practical Guide to Patents for Educators" at Vishveshvariya Auditorium. The event aimed to provide valuable insights into the patenting process, with a specific focus on educators, researchers, and innovators in academia. The session was well-received, with 68 participants attending the event. The event was graced by the distinguished speaker, **Prof. K. R. Gurjar**, Assistant Professor from the Science and Humanities Department. Prof. Gurjar shared his expertise on the intricacies of patents and how educators can unlock innovation in their academic fields. The session concluded with an interactive Q&A segment, where the participants got an opportunity to clarify their doubts and engage directly with the speaker. Moreover, Principal Dr. V.S. Purani has also motivated the faculty members about benefits of patent filing and how it will be helpful to the academia.
