

Government Science College – Mandvi (Kachchh)

SSIP 2.0

Students' Sensitisation Programme

Report of the Event

Date: 07/10/2022

Government Science College, Mandvi – Kachchh organized “Students’ Sensitization Programme” under the aegis of SSIP 2.0 programme by the SSIP Cell on 07/10/2022 Friday at 3pm. The entire programme was organized observing the given schedule by the office of the Commissioner of Technical Education, Gujarat State, Gandhinagar. The Chief Guest of the Programme – Mr. Vishalbhai Thakkar, the Corporator of Mandvi town – could not remain present due to some other important government assignments, but he sent his wishes and blessings for the programme. Principal, Dr. P. K. Mehta addressed the student fraternity and elaborated the idea behind the launching of SSIP 2.0. Shree P. P. Zala sir, assistant professor in Chemistry shared with the students various possibilities of research and innovation in the field of Chemistry and allied branches of science stream. Ms. Mansi Goswami madam, visiting faculty in Marine Science subject, talked about different topics in marine and environment science subjects which can be taken up for startup and innovation. The entire programme was anchored by Dr. D. B. Kataliya, SSIP Coordinator fulfilling all the guidelines provided by the offices of the Commissioner of Higher Education & Commissioner of Technical Education – Gujarat State. The programme also included the success story of one of present batch students Mr. Sanand Jani who shared his experiences of SSIP 1.0 journey as successful startup innovator. The programme was concluded by vote of thanks delivered by Shree P. P. Zala sir and audience dispersed after respectful homage to national anthem. Total 32 students and all the staff members remained present in the entire programme. The attendance sheets and photographs are attached herewith.
