Date: 20/01/2025

Time: 10:00 AM – 12:00 PM

Venue: Degree Seminar Hall (Room-3)

Highlights of Seminar

The Innovation Outreach Program: Awareness Programme on Student Startup Innovation Policy 2.0 (SSIP) was successfully conducted on January 20, 2025, at D. A. Degree Engineering and Technology, Mahemdabad. The session was led by Mr. Bhaumik Bhandari, SSIP coordinator, D. A. Degree Engineering and Technology, Mahemdabad who guided over 130 Students of Degree and Diploma students both on the significance of innovation, idea generation, entrepreneurship and the SSIP policy. The session aimed to ignite creativity, problem-solving skills, and an entrepreneurial mindset among young minds. The experts provided valuable insights into state-supported startup initiatives, innovation-driven learning, and pathways to transforming ideas into viable ventures.

The objective of the program was to familiarize students with the ecosystem of innovation and entrepreneurship, encouraging them to explore new ideas and embrace creative problem-solving. The session helped students understand the importance of SSIP (Student Startup and Innovation Policy) in supporting young innovators and provided guidance on leveraging incubation opportunities. The outcome of this engaging session was an increased awareness of entrepreneurial possibilities, funding opportunities, and mentorship support, motivating students to think beyond academics and contribute to the growing startup culture.
