

EVENT REPORT

“Turning Ideas into Reality: A Practical Approach to Proof of Concept (POC) in Physiotherapy”

Student Start-up & Innovation Policy (SSIP 2.0) Unit
Krishna School of Physiotherapy & Rehabilitation (KSPR)

About the Event:

Event Name: Expert talk on “Turning Ideas into Reality: A Practical Approach to POC in Physiotherapy”

Date: 07/02/2025

Time: 11:00 am to 1:00 pm

Venue: Auditorium I

Duration: One Day

Number of Participants: 150 students

Details:

The SSIP Unit of KSPR successfully organized an insightful session on “Turning Ideas into Reality: A Practical Approach to POC in Physiotherapy” on February 7, 2025, at KPGU University. The event was specifically designed for physiotherapy students to enhance their understanding of Proof of Concept (POC) in the field of physiotherapy innovation.

The session was conducted by Dr. Parthkumar P. Devmurari, a distinguished expert in the domain, who provided valuable insights on transforming innovative ideas into tangible solutions. He emphasized practical methodologies, real-world applications, and key strategies for developing a strong POC in physiotherapy.

The event was graced by esteemed dignitaries of KPGU, including Prof. (Dr.) A B Chaudhari Hon. Provost, KPGU, Prof. (Dr.) Paras Bhura Director (I/c) KSPR, Dr. Prachi Pandey Deputy Director of Krishna Centre of Start-up and Entrepreneurship, Dr. Camy Bhura, Academic Convener, KSPR and faculty members of KSPR. Their presence and encouragement added great value to the session.

Students actively participated in the session, engaging in discussions and gaining knowledge about the innovation process. The event was well-received and proved to be a great learning opportunity for aspiring physiotherapists looking to integrate innovation into their practice.

The SSIP Unit of KSPR extends heartfelt gratitude to **Dr. Parthkumar P. Devmurari** for his invaluable contribution and to all participants for making the event a resounding success. We look forward to organizing more such enriching sessions in the future.

Outcomes of the Session: (After attending this session, physiotherapy students will)

1. Understand the Concept of Proof of Concept (POC)
2. Learn a Step-by-Step Approach to POC Development
3. Enhance Critical Thinking & Innovation Skills
4. Gain Practical Experience Through Case Studies & Activities
5. Understand the Role of Technology & Collaboration
6. Develop a Roadmap for Implementation
7. Improve Presentation & Pitching Skills
8. Encourage Future Research & Entrepreneurship
