## **Details of the Sessions**

### **Session 1: For Startup Founders**

#### **Speakers:**

**Jay Sudani** – CEO, PIERC

**Dr. Jitendra Kumar** – Managing Director, Biotechnology Industry Research Assistance Council (BIRAC)

The session provided insights into the current startup ecosystem and government support initiatives. It covered strategies for scaling startups and creating sustainable business models while emphasizing the importance of leveraging innovation and technology in entrepreneurship. Real-world case studies and personal entrepreneurial experiences were also shared.

#### **Activities:**

The session included an interactive Q&A segment to address startup founders' queries. Networking opportunities were provided with experts and peers. Additionally, there was a presentation on successful industry collaborations and funding opportunities.

#### **Learning Outcomes:**

Participants gained an enhanced understanding of policies and schemes supporting startups. They received insights into practical approaches for overcoming entrepreneurial challenges and established valuable connections with industry experts for future collaboration.

---

### **Session 2: For Students of Diploma Studies**

#### **Speaker:**

**Mr. Abhishek Singh** – Director, M/s Vinay

This session introduced students to the concept of startups and their role in shaping the economy. It discussed the skills and mindset required to become an entrepreneur, along with an overview of startup success stories to inspire budding entrepreneurs.

#### **Activities:**

Students participated in group brainstorming sessions to generate innovative business ideas. Resources for learning entrepreneurial skills were shared, and a quiz was conducted to engage students and reinforce the session concepts.

### **Learning Outcomes:**

Students developed a fundamental understanding of entrepreneurship and startups. They learned essential entrepreneurial skills such as ideation and problem-solving, and their motivation and enthusiasm for exploring entrepreneurial ventures increased.

---

### **Conclusion**

The Startup Ecosystem Awareness Session effectively celebrated National Startup Day by providing valuable insights and fostering entrepreneurial skills among the participants. Both sessions catered to distinct audiences, ensuring tailored learning experiences for startup founders and students alike. The event successfully inspired and guided the participants toward contributing to the innovation ecosystem and achieving their entrepreneurial goals.
