About Event:

An engaging SSIP Sensitization Event was conducted for the Diploma IT students on 14th February 2025. The event aimed to introduce students to the Student Startup and Innovation Policy (SSIP) and the broader startup ecosystem. It provided valuable insights into the entrepreneurial journey, inspiring students to consider entrepreneurship as a viable career path.

The session focused on familiarizing the students with the available resources, support structures, and incubation opportunities under SSIP, empowering them with knowledge about how to transform innovative ideas into successful startups.

Outcome of Event: By the end of the event, students were motivated to explore entrepreneurial opportunities and make the most of the initiatives and assistance available for aspiring innovators and entrepreneurs.
