Details:

The **SSIP Unit of KSPR** successfully organized an insightful session on **“From Start-up to Scale up: Empowering Young Entrepreneurs” & SSIP Screening** on **25th February, 2025**, at **KPGU University**. The event was specifically designed for **physiotherapy students**. The event aimed to foster entrepreneurial spirit among young minds and provide practical insights into the journey from conceptualization to scaling a successful business. The physiotherapy screening session aimed to identify and nurture innovative ideas specific to the field of physiotherapy. Both initiatives witnessed enthusiastic participation and yielded positive outcomes, contributing to the development of a vibrant entrepreneurial ecosystem within the institution.

Experts **Ashish Bhavsar and Abhishek Jain** provided invaluable insights and guidance, fostering a dynamic and engaging learning environment. The subsequent screening session focused on identifying and nurturing entrepreneurial potential within the physiotherapy student body.

The event was graced by esteemed dignitaries of KPGU, including Prof. (Dr.) A B Chaudhari Hon. Provost, KPGU, Prof. (Dr.) Paras Bhura Director (I/c) KSPR, Dr. Amit Kumar Singh, PT, SSIP Coordinator and faculty members of KSPR. Their presence and encouragement added great value to the session.

The SSIP Unit of KSPR expresses its gratitude to the experts, **Ashish Bhavsar and Abhishek Jain**, for their contributions and to all participants for their active engagement. The event serves as a testament to the institution's commitment to fostering a culture of entrepreneurship and innovation.

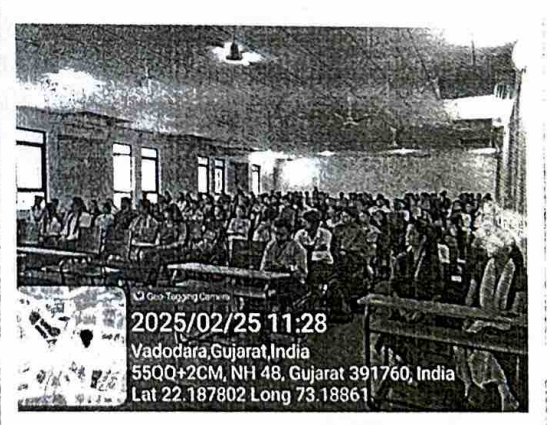

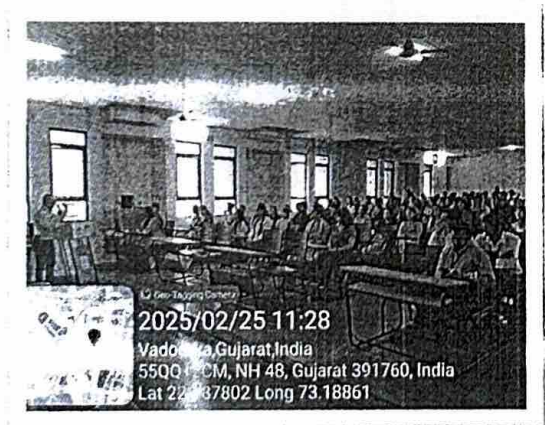

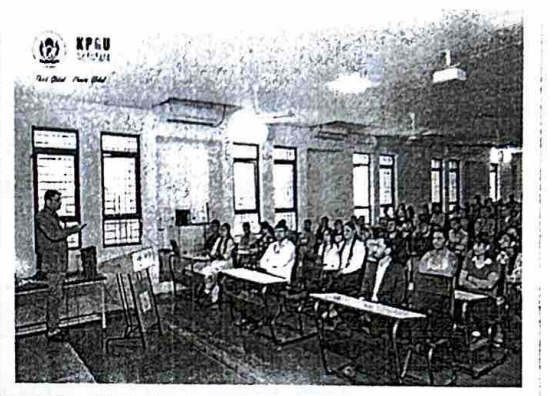

Outcomes of the Session:
