4. Funding & Growth Opportunities- Support promising ideas with funding guidance (e.g., SSIP).

About the Event:

The "**Igniting Innovation**" event aimed to inspire students to think creatively and cultivate an entrepreneurial mind-set. Hosted by the **Idea Club**, the event encouraged participants to develop start-up ideas and transform them into actionable plans. A key focus was providing **industry insights and networking opportunities**, enabling students to connect with

experienced mentors, entrepreneurs, and peers. These interactions offered valuable guidance, helping students understand real-world challenges and explore collaboration opportunities.

The event also emphasized **practical learning and skill development** through hands-on workshops covering idea validation, business modelling, and pitching. These sessions equipped students with the tools necessary to refine their ideas and take concrete steps toward execution. Additionally, participants received insights into **funding and growth opportunities**, particularly through the **Student Startup and Innovation Policy (SSIP)**, which provides financial and strategic support for budding entrepreneurs.

Outcome of the event:

1. **Idea to Action-** Participants move from just having an idea to developing structured plan for execution.
2. **Industry Exposure-** Students gain insights from experienced entrepreneurs, mentors, and startup founders.
3. **Stronger Startup Ecosystem-** The event fosters a culture of innovation and collaboration among aspiring entrepreneurs.
4. **Skill Development-** Attendees learn essential skills like problem-solving, pitching, and business modelling.
5. **Funding & Support Pathways-** Participants get guidance on securing funding (e.g., SSIP).
