Date: 17/02/2025, 18/02/2025

Venue/ Mode: Upanishad Hall and Tagore Hall

No of Participants: 112 students

About Event:

The 5th phase of SSIP (Student Startup and Innovation Policy) 2.0 was recently conducted at our college, fostering a creative and innovative atmosphere among students. The event included a series of engaging activities designed to enhance the entrepreneurial mindset and technical skills of participants. Workshops and seminars on startup ideation, innovation management, and pitching strategies were organized to equip students with the tools necessary for turning ideas into successful ventures. Additionally, interactive sessions with industry experts and successful entrepreneurs provided invaluable insights into the world of startups.

Outcome of Event: To broaden the understanding of self, Enhanced understanding of startup culture and entrepreneurial skills. Exposure to industry experts, investors, and real-world business challenges. Development of innovative thinking and product design capabilities. Strengthened networking opportunities for collaboration and mentorship. Increased confidence in pitching ideas to investors and stakeholders.
