

MVM Science & Home Science College, Rajkot

Seminar on How to work for Ceramic Tiles sales

A seminar on **How to work for Ceramic Tiles sales** was organized for the students of MVM Science and Home Science College on 22nd February 2025. Ms. Kinjal Thoriya, Export Head of Altros Ceramic conducted the session giving information about types of ceramic tiles, their cost, and marketing. The session oriented students to a new job avenue which would cater to those students who wished to work as freelancers and work from home. The session was attended by 40 students and 2 faculty members.
