L.D. College of Engineering

Computer Engineering Department

Ahmedabad-15, Gujarat, India

A session on

'Importance and Impact of Innovation and Research for Employability and Higher Studies':

April 19, 2022

Institution's Innovation Council(IIC) and SSIP Cell along with Computer Engineering Department , L.D. College of Engineering has organized an expert Session on 'Importance and Impact of Innovation and Research for Employability and Higher Studies' by Dr. Manan Shah (Assistant Professor, School of Technology, PDEU), who is an experienced research scientist with a demonstrated history of working in Renewables and Environment Industry, on April 19, 2022 at Upanishad Hall, Department of Computer Engineering. It was organized under patronage of Dr. R.K.Gajjar(Principal, L.D. College of Engineering) and co-ordinated by Dr. S.M. Shah (HoD& Professor, Computer Engineering Department).

This session primarily focused to inculcate Seven Flavours of a quintessential profile namely Journal Paper, Conference Paper & Book Chapter, Internship, Project with Outcome, Cultural Activities, Societal Activities and Online Coursesin a sophomore.The Speaker emphasized on the role of Research and Innovation to achieve these flavours by exhibiting several paradigms related totechnology, agriculture, healthcare etc. and outlining it as one of the selection criteria for Ivy League Institutes as well as Product-Based Multinationals. Furthermore, he also exposed students to various opportunities which they can avail in pursuance of their Bachelor's degree while encouraging them to review different Research Papers. At the end, heconcluded with a quote 'Everything is theoretically impossible, until it is done' which was followed by a small QnA session. More than 100 students of

different departments participated in this session and got a brief insight on how to achieve success through the means of Research and Innovation. More than 75 students availed benefit of said session.

Organizers:

Convener:

Dr.Mihir Shah, HoD& Professor, EC Engineering Department.
Dr. Manish Thakkar, HoD& Professor, IC Engineering Department.

Faculty Co-Coordinators:

Dr.Tejas V. Shah, Associate Professor, IC Engineering Department.
Dr. Anjali Bishnoi, Associate Professor, Chemical Engineering Department.
Prof. Hetal A. Joshiyara, Assistant Professor, Computer Engineering Department.

Student Co-Ordinators (BE 4th Semester, Computer Engineering Department):

Joyal N. Shah
Harsh M. Trivedi
Lakshdeep R. Patel
Smit U. Patel

INSTITUTION'S INNOVATION COUNCIL

SSIP

Invite you to join the session on

Importance and Impact of Innovations and Research for Employability and Higher Studies

Dr.Manan Shah
Assistant Professor
School of Technology,
Pandit Deendayal Energy University

Date & Time
19th April 2022 , 11:00 AM Onwards

Venue
Upanishad Hall,
Computer Engineering Department
L.D. College of Engineering

Patron
Dr. R.K Gajjar
Principal
L.D. College of Engineering

Coordinator:
Dr.S.M.Shah, Head & Prof.Computer Engg.Dept.

Convener:
Dr.Mihir Shah, Head & Prof.EC Engg.Dept.
Dr.Manish Thakkar, Head & Prof.IC Engg.Dept.

Co-Coordinators:
Dr.Tejas V. Shah, Asso.Prof.IC Engg.Dept.
Dr.Anjali Bishnoi, Asso.Prof.Chemical Engg.Dept.
Prof.Hetal A. Joshiyara, Asst.Prof.Computer Engg.Dept.
